WORK EXPERIENCE

Frontend developer Freelancer, 2022 - Date

ZURI Internship X Ingressive for Good I4G, 2022

- Designed and implemented responsive web pages using modern frontend technologies.
- Enhanced website performance through optimization techniques like lazy loading and code splitting.
- Collaborated with cross-functional teams to deliver high-quality web applications.
- Stayed up-to-date with the latest web development trends and best practices to continuously improve skills.

Frontend Web Development Tech1M, 2022

- Implemented user-friendly and responsive web designs using React.js and CSS frameworks like Bootstrap and Tailwind CSS.
- Collaborated with backend developers to integrate APIs and ensure seamless data flow between frontend and backend.
- Conducted usability testing and gathered user feedback to refine and enhance web application interfaces.
- Participated in agile development practices, including sprint planning, daily stand-ups, and retrospective meetings.
- Optimized web applications for performance and scalability, ensuring fast load times and smooth user experiences.

Frontend Web Development Intern ZURI Internship, 2021

- Developed responsive web interfaces using HTML, CSS, and JavaScript.
- Collaborated with the design team to ensure the technical feasibility of UI/UX designs.
- Utilized version control systems like Git for project management and code versioning.
- Participated in code reviews and provided feedback to improve code quality and performance.

User Interface/User Experience Design Trainee

ZURI X Ingressive for Good, 2020

- Assisted in creating wireframes, prototypes, and mockups for web and mobile applications.
- Conducted user research and usability testing to gather feedback and improve design iterations.
- Worked closely with frontend developers to ensure seamless implementation of UI designs.
- Documented design processes and created style guides to maintain design consistency.

Digital Media Specialist

Star University, Oklahoma, USA, 2019 - 2020

- Produced digital content for university marketing campaigns, including graphics, videos, and animations.
- Managed social media channels and enhanced user engagement through creative content strategies.
- Designed and maintained the university's website, ensuring it was up-to-date and user-friendly.
- Analyzed website traffic and user behavior using tools like Google Analytics to inform content decisions.
